CERTIFICATE & AWARDS

Programmer Of The Year
- On August 16, amidst my talented colleagues, I was proudly awarded the esteemed title of Programmer of the Year on our campus. This recognition celebrates my relentless dedication and exceptional skills in programming, marking a significant milestone in my journey.
                                             August 16 2023

Outsoar Completion
- During my OJT at Outsoar, I gained a solid programming foundation. Ending my OJT on June 9, Outsoar promptly hired me as their employee, a testament to the skills and experience I acquired during my training.
                                             June 09 2023

Web Design Champion
- During IT Week on June 1-2, I won the Web Design Champion title. It shows I'm good at making cool websites, making me feel proud and happy about my work.
                                             June 1-2 2022
